**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is good for the economy and for customers. I chose Sonic because their price was better than its larger competitor and they offered me free phone service which the competition did not. Please do not allow At&T to monopolize the phone lines or raise prices squelching the competition.

Thank you for your consideration of this vital matter.
